DONN CHERIE

SINGER-SONGWRITER

DonnCherie, a Burlington, VT, singer-songwriter, has been described as “honey-covered-rawness”, she is dark, ominous, playful and a little naughty, her music influenced by Blues, Folk, Soul and Country music and does not ask you to pick a genre. She brings so much heart to the lyrics and life to the story she’s bringing you. DonnCherie’s songs take you on a journey with a musical conversation that moves your soul and allows you to see a little of yourself in each line.
